

February 21, 2021

Hello Trinity Episcopal Church Sunday School Families,

"Noah: A Rainbow of Promises" is the title of this week's lesson, from Genesis 9:8-17. In this lesson, we are reminded that God is faithful to keep his covenant. Our memory verse for this week is: "I have set my rainbow in the clouds, and it will be the sign of the covenant between me and the earth." Genesis 9:13

<https://sermons4kids.com/> is the homepage and where you will find the sermon lesson to read to your children. For this lesson, you will need a ring, a plate, warm water, and skittles. Below the sermon lesson is an instructional video to complete a rainbow craft with cord and sting..

To the right of the lesson are links to print a coloring page, word search, a crossword puzzle and more. Feel free to use any of these supplemental activities for your child's individual level.

This week's group activities can also be found in that list of resources besides the sermon reading. Feel free to use and modify any of these activities to suit your family. At the bottom of this email, there is a themed snack idea provided by Sermons4Kids. There you will also find the Discussion Questions and Suggested Prayer Starters from Sermons4Kids.

Sample prayer for this week:

Dear God, we're thankful that You keep Your promises. Help us to keep our promises, too. In Jesus' name, amen.

We pray for the peace and health of you all! We have enjoyed seeing many children in Sunday School and Nursery Care and look forward to seeing the rest of you soon!

God bless you,

Leigh Yergler
Sunday School Superintendent
Trinity Episcopal Church Sunday School

Elementary Discussion:

This week, kids learned in Genesis 9:8-17 that after the flood waters went down, God made a promise to Noah. He promised Noah that He would never again destroy the whole earth with a flood. Then He put a rainbow in the sky and said to Noah, "I have set my rainbow in the clouds, and it will be a sign of the promise between Me and all life on the earth." Children learned that God is faithful in keeping His promises. Bible Memory Verse: "I have set my rainbow in the clouds, and it will be the sign of the covenant between me and the earth." Genesis 9:13

Monday

Review Genesis 9:13 today.

What did you learn about the rainbow promise God made?

Thank God for teaching you from the Bible.

Tuesday

Review Genesis 9:13 today.

Why do you think it's important to remember God's promises?

Ask God to help you learn all about His promises.

Wednesday

Review Genesis 9:13 today.

What do you think about how God is faithful to keep all His promises?

Thank God for His faithfulness.

Thursday

Review Genesis 9:13 today.

What did you learn about God's covenant with us?

Thank God for loving us.

Friday

Review Genesis 9:13 today.

What is easy or hard for you about keeping promises?

Ask God to help you keep your promises too.

Rainbow Snacks

You'll Need:

- Large marshmallows - two per child
- Fruit Loops cereal
- Chenille wires
- Paper plates

Do This:

Follow these steps to make the rainbow snacks:

- Give each child a paper plate, a chenille wire, and two large marshmallows.
- Invite kids to press one end of the chenille wire into one marshmallow. Explain that it is a cloud.
- Pass out bowls of Fruit Loops. Instruct kids to put Fruit Loops on their chenille wire.
- Once they have completed the rainbow of Fruit Loops, direct kids to press the other end of their pipe cleaner into the other marshmallow. Lastly instruct kids to bend their pipe cleaners into a rainbow shape.
- After they are complete, invite kids to show their rainbow creations off and then enjoy eating them.

SAY:

You each did an amazing job making a rainbow snack! Yum! In today's Bible lesson we learn that God made a covenant with Noah. A covenant is a promise. And guess who the best promise keeper is? It's God of course. The rainbow was the covenant sign that God would never flood the earth again. He has kept His promise and we can also trust that He will always be faithful in keeping His promises.
